

Who updates the winner, and how?

Last year: 2 types of application:

Online- easy,
manual submission- takes time.

Download the excel sheet after people apply online.

Education committee decides who will qualify.

Send list of winners to RCE worker to upload on website.

Manual work with excel sheets

Requires Time and effort

Project Data:

Name, SDG, description, location, contact

Want:

Want links to each SDGs to provide more info.

Display project description, location, highlight projects on SDG in the sask

Map to SDG and location.

Big Changes:

Change the website:

Template.

It's a basic website.

Don't sacrifice functionality with convenience.
